Mizoram	0.8	0.73
Orissa	9.6	9.40
Rajasthan	2.2	3.43
Tamil Nadu	8.7	11.30
Tripura	0.3	0.3
Uttar Pradesh	71.7	70.33
West Bengal	13.7	13.43
All India Total	578.8	562.08

(b) to (d) Mis. R. J. Reynolds Tobac':o International S.A., Switzerland has obtained approval for setting up a joint venture in India for the msnufacture of tobacco and cigarettes. They have projected net tobacco exports of 10,800 tonnes valued at US$ 74 million over five years. A new company in the name and style of Ms. Modi RIR Ltd. has been iccorporated to imfdoaacnt the foreign collaboration apprivak and Letter of Intent.

(e) Adequate quantity *ot* tobacco would be available from the existing area to meet the initial requirement of the project.

(f) For the present (1993-94) enhancement of FVC tobacco production is not comemplated.

IMPORTS, EXPOHTS AND TRADE GAP

2364. SHRIMATI ILA PANDA : Will the Minister uf COMMERCE be pleased to stale commodity-wise break up of major exports and imports during the past two years and projections for 1994-95 ?

THE MINISTER OF COMMERCE (SHRI PRANAB MUKHERJEE) Details cf export and imports for major commodities groups for the years 1991-92, 1992-93 and April-September '93 during 1993-94 are given in the Annexure. [See Appendix CIXIX, Annexure No. 54] Export target for the current year has been fixed at US $ 22132 million (Rs. 70842 crores). The Eighth Five Year Plan (1992-97) envisages export growth of 13.6 percent per annum in volume terms. No largets are set for imports.

CANCELLATION OF EXPORT LICENCES BY TEA BOARDT

2365. SHRI RAMDAS AGARWAL : Will the Minister of COMMERCE be pleased to state :

(a) whether Government's attention has been drawn ro a cews-item published in the Financial Express, dated 2-12-93 captioned 'Tea Board cancel export-licence of three farms" and suspended licence of three others engaged in the sale of tea to Russia;

(b) if so, what are the details thereof and reasons advanced by the Tea Board therefor;

(e) what was the total number of tea shipment licence issued during the current year ending November, as ccnnpared to the corresponding period last year indicating cverseas internal demand for Indian tea as compared to demand of tea to other countries :

(d) whether it is a fact that in terms of exports, even Sri Lanka had overtaken India; if so, the reasons therefor; and

(e) what steps Government have taken to shift from greater volumes of tea exports to higher value-added export of lea in order to compete With: other countries, and the steps taken io far to increase the standards of packaging industry in respect pf tea in India ?

THE MINISTER OF COMMERCE (SHRI PRANAB MUKHERJEE) r (a) and (b) Complaints have been received by the Tea Bourd against a few Indian exporters for exports of substandard and inferior quality teas. These complaints have been looked into by the Tea Board and action has been taken under the pro-visions of the Tea (Distribution & Export) Control Order, 1957 against such exporters. Accordingly, Tea Board have cancelled the tea exporters licence of Ms, Amusar Im-pex Pvt. Ltd., Calcutta and M/s. Dolphin International Pvt. Ud., New Delhi. Fxpor-tcrs licence of Mis. India Tea Produce Co. Ltd., Calcutta and M|s. Jainsons Export Corporation, Mew Delhi have been suspended by the Tea Board. Tea Board has also initiated proceedings against another firm, which field a writ petition before Hon'ble High Court, Calcutta and the matter is subjudice.

(c) Shipment licences issued for exports of tea during April-November 1993 were ot the order cf 139.81 million kgs. as against 133.62 million kgs. during the corresponding period of previous year. Increase m the shipment licences during the current year indicates higher demand of Indian teas in the importing countries, Domestic coifsumption of tea during the current year is estimated at 560 million kgs as compared fo 540 millon kg during 1992.

(d) While jn quantitative terms exports of tea from Sri Lanka are higher than exports of Indian tea, in terms of valae Indian espoits have been higher than that of Sri Lanka. Main reason for higher quantum of exports of tea by Sri Lanka in quantitative terms is the negligible domestic demand for the tea in Sri Lanka.

(e) Steps taken to boost exports cf value added teas include uninational pro-motional campaigns throuh Tea Board's offices aborad. (i) lt consists of : participation in trade fairsi exhibitions, (ii) media campaign to increase consumer awareness towards varipus unique characteristics of Indian tea, ('ii) media campaign to popularise Indian tea through Tea Board marketing symbol and (iv) support to vririous foreign brands containing Indian tea A part of the expenditure inctitrtd by importers for promotional compaiges are met from Tea Board budget. Tea
